> 💡 Tip
>
> - " Read", " Listen", and/or " Watch" items are required content for the day, and should be read/heard/watched before class on that day.
> - " Browse" items should be briefly looked at but do not need to be read deeply unless you want to
> - " Additional Resources" do not need to be looked at; they are there to serve, if useful, as further references for your debates, final projects, and general edification later.
